*Mary the
Blessed
Believer*

Hi my name is Mary. I lived a long time ago in a place called Judea.

You've probably heard of one of my best friends. His name was Jesus!

I was even there when Jesus died
on the cross.

His death left me sadder than I had been my whole life, and my life had been really hard before I met Jesus.

After Jesus died, I went with some of my friends to his tomb to honor and remember him.

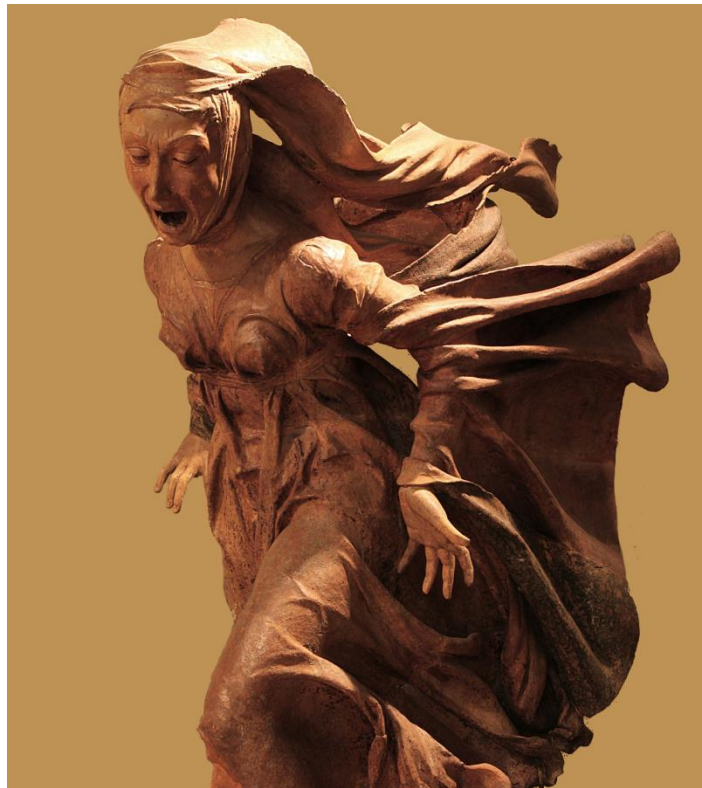

But for some reason, the tomb was open! And it was empty!

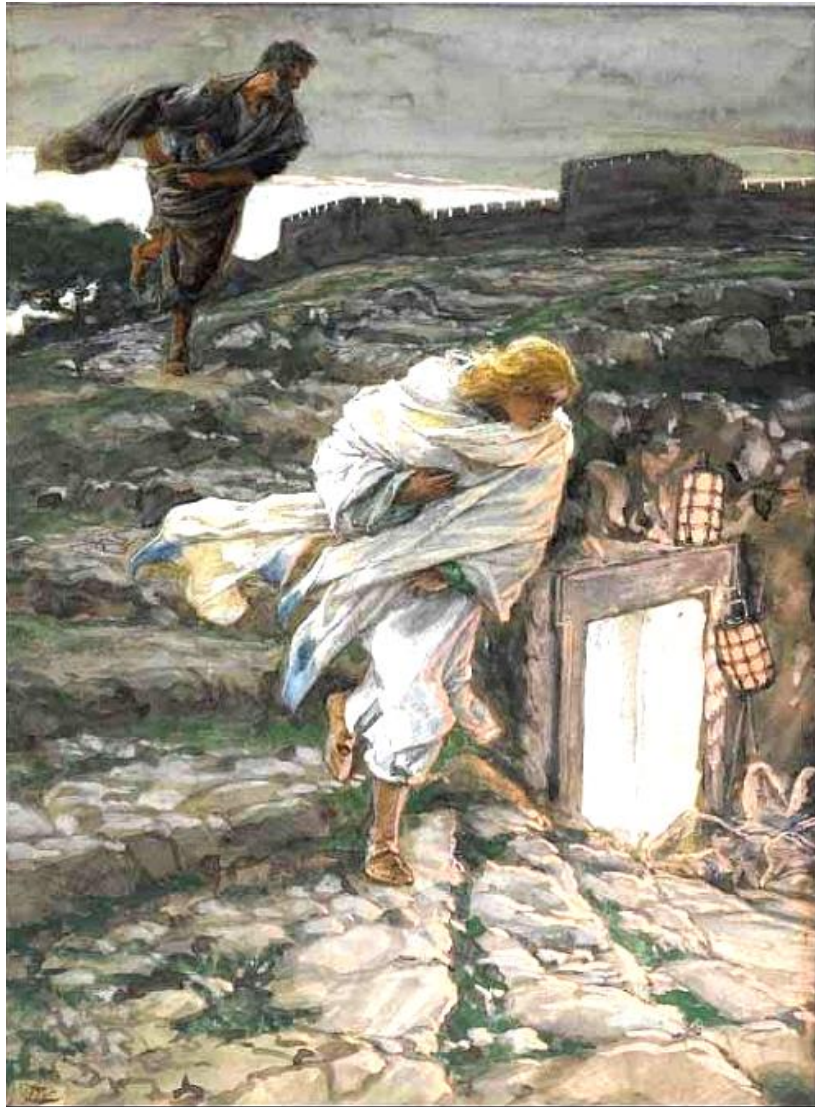

We were amazed, confused, and scared all at the same time, especially when an angel appeared.

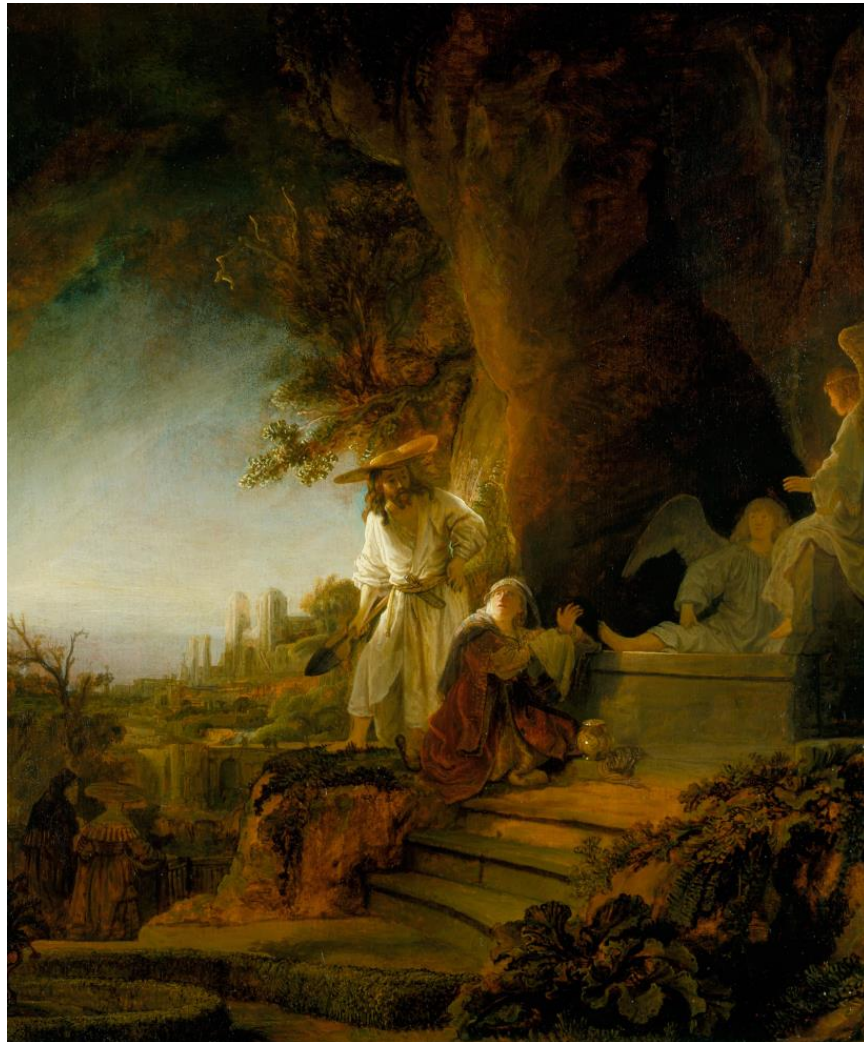

The angel was glowing bright like the sun and told us not to be afraid because Jesus had come back to life! We ran to tell Jesus' other followers.

Peter came back to look at the tomb with me. He found it empty just like I told him.

After Peter left, I sat alone by the tomb with the angels until somebody who looked like a gardener came by. I asked him where I could find Jesus.

The gardener looked at me and said, "Mary." Suddenly I realized that he was Jesus! I felt Jesus' love pouring over me and was happier than I had ever been in my whole life.

But Jesus wouldn't let me just stay there and have him all to myself. He sent me out to tell everyone the good news. And that's exactly what I did.

Are you ready to share the good news about Jesus' love too.

Jesus has chosen you just like he first chose me. Go tell everyone about his love!
