Tabitha the
Beloved
Servant

Hi I'm Tabitha, I lived a long time ago in a place called Joppa.

I spent lots of time helping others,
doing important things like sewing
clothes.

THE CHARITY OF DORCAS.

From a Painting by William Charles Thomas Dobson, R.A.

One day, I died. I was really truly dead. My friends put me on a bed and cried.

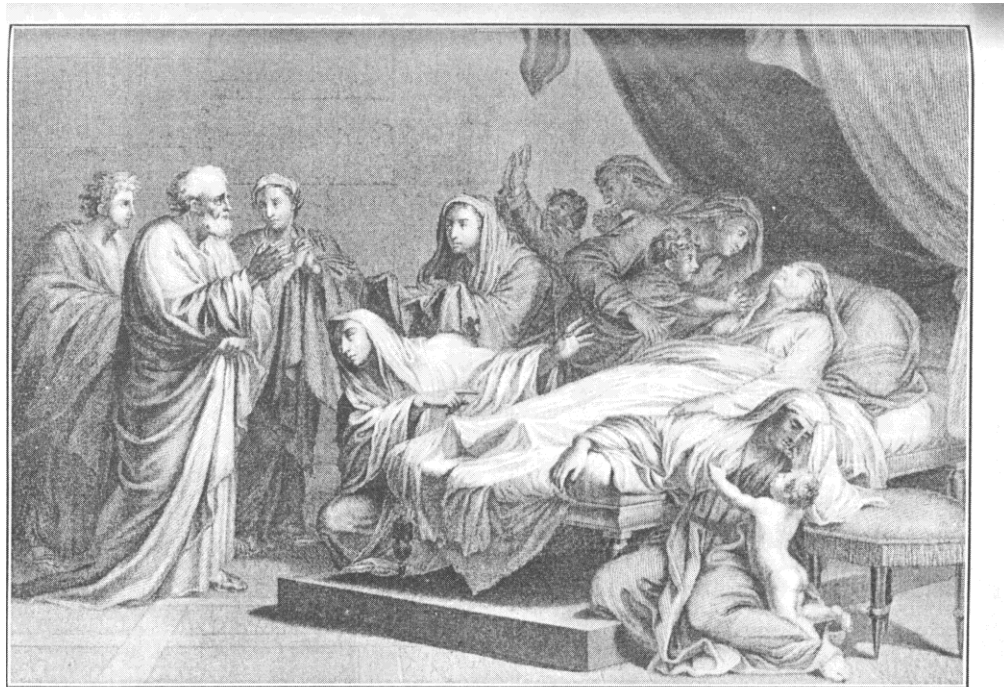

Some of my friends had an idea. They knew that Jesus' disciple named Peter was nearby. Jesus had already risen from the dead and the disciples were doing miracles too, so they thought Peter could do one for me. They ran and brought Peter back to my body.

Once Peter arrived, they showed him all the great things I had made for others.

Peter could tell that the people really missed me and he knew it was because of how much I cared for each of them. He knew what to do.

He sent everyone outside and sat
alone with my body so he could
pray. Then he said, “Tabitha get
up.”

I opened my eyes and Peter helped me sit up. I had come back to life!

When my friends realized I was alive again, they ran into the room and were amazed to see me. With God's help, Peter had brought me back to life.

Do people think of you as someone
who is loving and kind like me?

With God's help, I know you'll do
amazing things for others.
